# BUILDING SCORE GUIDELINES (NOVICE)

## STUNTS/PYRAMIDS

### **Mini, Youth, Junior, Senior Novice Only:**

Presentation of strong level appropriate fundamental stunt and pyramid skills. Difficulty and Technique are combined in this category. Athletes should be presenting skills that are well practiced and within their skill ability. Spacing and synchronisation of skills will also be evaluated.

# TUMBLING SCORE GUIDELINES (NOVICE)

## JUMPS

Difficulty and Technique are combined in this category. Athletes should be presenting skills that are well practiced and within their skill ability. Spacing and synchronisation of skills will also be evaluated.

# OVERALL ROUTINE SCORE GUIDELINES (NOVICE)

## MOTIONS/DANCE

Proper presentation of fundamental motion technique in both the dance and throughout the routine. The dance should include strong visual elements to include formation changes and level changes, footwork and floorwork whilst maintaining a strong clear pace with outstanding synchronisation.

## ROUTINE COMPOSITION

Utilisation of skills that display outstanding use of innovation, visual appeal, uniqueness, formation/spacing uniformity, floor transitions and wow factor.

## OVERALL PERFORMANCE

The team's presentation of a routine that demonstrates a strong level of athleticism, memory, genuine enthusiasm and showmanship. The routine should be both age and skill level appropriate.
